LETTER OF CONGRATULATIONS

Dear Manoj,

On behalf of all of us here at EIT, I would like to congratulate you on successfully completing this professional development course.

You have shown a great deal of determination and dedication in your efforts to complete this course and you deserve to be very proud of yourself.

My most sincere hope is that your studies have and will assist you in your career and that they have in some way contributed to your personal development.

At EIT we offer a variety of courses to further your studies, these include a range of professional development courses, as well as accredited Advanced Diploma, Bachelor Degree and Master Degree courses which you may like to consider.

Please contact one of our Course Advisors if you wish to receive further information on how we can assist you with your future study needs as a valued student at EIT.

We all wish you everything of the best and hope to see you back at EIT before long.

Yours sincerely,

Simoné Blackbeard

RECORD OF RESULTS

STUDENT NAME: Manoj Kalra

STUDENT NUMBER: CENIH09-19

COURSE: Professional Certificate of Competency in Electrical Power System Fundamentals for Non-Electrical Engineers

COURSE CODE: CENIH09 **PERIOD OF STUDY: August - November 2024**

MODULES COMPLETED			
Module 1:	Basic Concepts		
Module 2:	Electrical Generation, Transmission and Distribution		
Module 3:	Electrical Distribution		
Module 4:	Electrical Measurements and instrument transformers for switchgear		
Module 5:	Earthing and Lightning Protection		
ASSIGNMENT 1 (MODULE 1 – MODULE 5)		RESULT ATTAINED	
		A	99%
Module 6:	Faults, Fuses and Circuit Breakers		
Module 7:	Power Systems Protection and Electrical Safety		
Module 8:	Load Forecasting, Planning and Project Evaluation		
Module 9:	Impacts of Renewables on Grid and Power Quality		
ASSIGNMENT 2 (MODULE 6 – MODULE 9)		RESULT ATTAINED	
		A	99%
COURSE TOTAL: A 99%
