FY24/25 Remuneration and Incentive Review

Private & Confidential

Manoj Kalra
UE Electricity Networks
United Energy

Dear Manoj,

We are pleased to advise the outcomes of our annual remuneration and incentive review process.

Remuneration review decisions are guided by employee performance and behaviours, external market remuneration and budget factors.

After considering these factors, your new Total Remuneration is outlined in the accompanying table. This is effective from 1 January 2025 and adjustments will be paid on or around 14 March 2025.

You can view further details regarding your remuneration via People Central > My Profile > Employment Information.

I am pleased to advise that you will also receive an FY24 incentive payment as outlined in the accompanying table. Your incentive payment has been determined considering the overall performance of the company and your individual performance in 2024. Your incentive payment includes any applicable company superannuation contributions paid into your nominated superannuation fund and the balance paid into your payroll bank account subject to tax, or salary sacrificed to superannuation in accordance with your previous instructions.

Total Remuneration (TR) Review	
Current TR (FTE)	$120,540
TR Increase %	3.70%
FY25 TR (FTE)	$125,000

Incentive Payment	
Gross Incentive	$7,325

FY25 Incentive Plan

The *United Energy Incentive Plan 2025* has been approved by the Board and is

available on The Wire.

Your 2025 incentive will (subject to the terms of the plan, and achievement of the threshold Company KPI targets) again be based 20% on company performance and 80% on individual performance.

If you would like to discuss further please contact your immediate manager or HR Business Partner.

I would like to take this opportunity to thank you for your contribution to the success of United Energy in 2024 and I look forward to working with you in 2025 as we strive to continue that success.

Regards,

Glen Thomson
General Manager Electricity Networks
